

Dear Madam, dear Sir,

We have the pleasure to invite you to the **Public Hearing** entitled "**2014-2020: Which future for our islands and mountains?**", organised by **INSULEUR**, the Network of the Insular Chambers of Commerce and Industry of the European Union and **EUROMONTANA**, the European Association of Mountain Areas.

The event will be held in Brussels, on the **29th November 2012**, at **10:30 am** at the premises of the European Economic and Social Committee (EESC), Rue Van Marlaent, room VM3. It is supported by the EESC and is under the aegis of the Republic of Cyprus, which assures the Presidency of the Council of the EU for the current semester.

Both, **INSULEUR** and **EUROMONTANA**, share the view that **specific territories offer opportunities for investments, provided their development can be approached in an integrated manner**. The institutional proposals on the future of the European cohesion policy will be presented and debated from the perspective of interests of specific territories, such as islands and mountains. The Agenda of the meeting is attached to this invitation. A buffet lunch will be offered by INSULEUR at 13.00 at the restaurant of the EESC.

Please confirm your assistance before **November 23rd, 2012**, to the following e-mail address: innovacionmallorca@camaras.org.
